

PLEASE NOTE DATES IN YOUR DIARY AS THESE MAY NOT BE PUBLISHED AGAIN.

Dear Parents,

We would like to welcome all the new children and their parents who are starting at Shofar shortly; we hope that they and their parents will be very happy here with us.

We will send around class lists at regular intervals with a list of telephone numbers and e-mail addresses where we have permission to share these of all the children in your children's class. This is to enable you to arrange social gatherings amongst yourselves and also to communicate with each other.

If you haven't already supplied us with a copy of your child's birth certificate or passport please do so as I can be asked by the officers from Barnet council for proof of your child's age at any time when I apply for funding for your child.

Please park with consideration to our neighbours and other parents; we try to maintain a good relationship with them. Please avoid parking or stopping on the yellow lines outside the site during the Akiva stop and drop times, which start at 8.30 a.m. and finish at 8.50 a.m. In addition please do NOT park on yellow lines or over any driveways at any time as this may prevent an emergency vehicle gaining access.

If your child is unwell, please keep them at home and telephone or e-mail me to let us know please. They are not happy at Shofar when they are under the weather, and this often causes much more illness amongst the children than necessary. If they have been sick or have had an upset stomach they must have a clear 48 hours without sickness before they can return to us. Unfortunately sickness and diarrhoea are very contagious and whatever the reason, even if you think this is due to something they have eaten I cannot negotiate on this necessary exclusion. Our exclusion and sickness policy can be found on the parent's board. Please do also let us know if your child has nits or threadworm so that we can warn the parents in your child's class to check so that we can eradicate these as soon as possible, please make sure to treat the whole family.

Please make sure that your child has a named shoe bag with a full set of (named) spare clothes on their peg at all times. Uniform is compulsory at Shofar in our Tamar and Rimon classes and optional in our Gefen class. This should be worn over other clothes where necessary and I would ask that you ensure all clothing, coats, bags and shoes are clearly named. We also need to have a warm hat and gloves, all named please for all of the children and preferably a warm snow suit for our Te'edah and Gefen class.

For children in Rimon and Tamar classes please try to send in a small amount of charity money each week on either a Friday or a Monday and help your child to place this in the tzedakah box which will be by the room entrance as you come in so that we can try to instil this wonderful Jewish tradition from a very early age. Our Rimon class will choose the charity each term to make this even more meaningful.

In Pre-school we will also send your child home every 14 weeks or so with a special Shabbat Box experience, when using these special things at home, please capture these moments and add to Tapestry so that your teachers can share these special moments with you. Please also do take care of these items as they were very costly and please return them promptly as we need them for other children each week.

We have special book library folders in our pre-school classes that will be given out weekly with your child's chosen book which they can keep at home for a week. Please ensure that these are returned each Wednesday (or nearest day to Wednesday that your child attends Shofar). We have also introduced a special book review for our Rimon class which they can if they wish complete at home and then they will be chosen every few weeks to share this review with the class. I hope that this will encourage them to be avid readers in the future and to choose a variety of books to read.

When your child has a birthday you may if you wish send in some cupcakes for the class. I do feel that this is not really necessary and as an alternative I would like to suggest that you purchase a book for Shofar in which you can write a special message on the inside cover for the class. I have a stock of new books or alternatively you can buy a favourite book of your child. You can of course do both, send in cupcakes and buy a book if you prefer.

Below is a list of our topics and some suggested activities to do at home with your children if you wish to. This will enable you to ask the appropriate questions and to allow us to work as partners in your child's education.

For more information please read the weekly timetable, which will be sent to you by e-mail each week. We will be having a weekly topic interest table and any items that you may have to support this please send in at the appropriate week. (Please label these with your child's name.)

Thank you for all your support
